Partners

Scott Allan Partner BMR-PT

Scott holds the position of President of the inMotion Network. He devotes his time to managing the operations of the network, ensuring the highest quality of patient care as needed. He often can be found driving between the clinics, facilitating staff and business development, and always asking "Kyla why?"

Scott graduated from the University of Manitoba in 1987. Since graduation Scott has continued his pursuit of knowledge in the field of musculoskeletal physiotherapy. While playing Junior Hockey with the St. James Canadians, Scott was introduced to physiotherapy and to return that first hand experience back to his patients.

Scott's professional interests are diverse. He enjoys treating post surgical conditions and has a specialized interest in knee and shoulder conditions as a physiotherapist but as a patient as well. His involvement in sports physiotherapy ranges from his grass roots experience as a therapist at two Canada Games to coordinating the medical needs for the Baseball venues at the 1999 Pan Am Games.

Stephanie RobereckiPartner / PhysiotherapistBMR-PT

Stephanie has enjoyed many varied experiences as a physiotherapist since graduation from the University of Manitoba. She is the Chairperson Physiotherapy Alliance and Sport Physiotherapy Division Manitoba Branch. Academically she holds a Specialist Level. Numerous courses identified by the Canadian Physiotherapy Orthopaedic Division, Sports Physiotherapy Division have been utilized to increase her knowledge base. She was awarded the Lenore Saunders Award in 2007 to recognize her contributions. Her interests include the treatment of running injuries due to her extensive athletic background, including full marathons, triathlons, and Iron Triathlons. She has represented Manitoba in 2008, 2010, 2012 and 2014. In 2015 Stephanie Roberecki ran the Boston Marathon which was a lifelong dream. As a triathlete, triathlon enthusiast and recreational downhill skier, it is realized that injuries are in fact a part of an active lifestyle!! Life is meant to be lived, the best to keep you moving.

Scott Allan and Stephanie Roberecki opened Quarry Physiotherapy in Stonewall in 1994. The clinic has grown significantly since then. The clinics in Gimli and Arborg were added to provide more comprehensive patient care to the Interlake. Service excellence is a top priority. Hours of dedication to the businesses. Stephanie is actively involved with the Interlake Clinics in marketing and promotion.

With Debbie living in the Interlake, she is available at multiple locations offering her services to the clients at Quarry Physio to assist people on their healing journey.

Reflexology is a natural, hands-on method that uses gentle pressure applied to reflex points. These reflex points map to various parts of the body, thus relieving tension, improving circulation and support the body's efforts to function optimally. Basically, reflexology increases energy, relieves pain, decreases anxiety and is beneficial in maintaining good health.

Reflexology Lymphatic Drainage, also known as RLD, is a reflexology technique which focuses on stimulating the lymphatic system. The main reason for having this treatment done is to cause an effect on the lymphatic system in the body. Primarily, this procedure is used to treat secondary lymphedema occurring from the treatment of breast cancer, however, has been shown to help with other ailments.
